

# HAVE FUN IN THE WATER

STAY SAFE BY FOLLOWING  
THE ABCs & 123s

## **A** ADULT SUPERVISION:

- Teach kids to get permission before nearing/entering the water
- Put your cell phone away
- If there is no lifeguard, assign a water watcher

## **B** BARRIERS:

- All pools should have a barrier around them
- Keep gates or doors around the pool area closed
- At public pools, only swim where it is permitted

## **C** CLASSES:

- Enroll your children in swim lessons
- Brush up on your own swimming skills
- Take a CPR class
